*Winter Journey* is happening again in 2020. This weekend retreat offers opportunities for spiritual formation and personal growth in what is often regarded as a dormant season of the year. Participants will share fellowship, meals, and worship as a large group while breaking into three smaller program tracks. The retreat schedule is balanced between programmed and unprogrammed time. Check our website for more details about this event! Call into our front office (336) 359-2951 with questions or to register.

The Christmas Eve Lovefeast offering was \$1,761.00 for Sunnyside Ministries.

Women's Fellowship will meet  
Thursday at 7pm!

From The Trustees

We appreciate all of you who are participating in the 100x10 Fund Raiser to replenish our "Repair and Maintenance Fund". We are well on our way to reaching our \$24,000 goal. Please consider contributing to this important Fund in the months to come. The campaign is based on 100 members giving an extra \$10 a month for a two year term. Just mark your checks "100x10" or include a note with your contribution.

Please excuse the noise when you close the new breezeway doors! The manufacturer did not install the weather stripping so we could paint the frame without the stripping being in the way. Since the cool temperatures and moist air of the winter months is not favorable for painting steel doors we have instructed the contractor to go ahead and put the stripping in place. The doors came with a primer coat so they should be protected until warmer weather allows for a new top coat. Thank you to those that contributed directly to installation of the new breezeway doors. This project was partially funded by Church Funds and partially through designated gifts.
